

# AfriGen-D

African Genomics Data Hub

## AfriGen-D Platform Launch

*Join us for the AfriGen-D Platform Launch*

AfriGen-D brings together cutting-edge data infrastructure, collaborative research tools, and training resources to strengthen genomics capacity across the continent. This launch will showcase the platform's vision, key features, and the transformative potential it holds for researchers, policymakers, educators, and innovation leaders.

### When and Where

 **Date:** Thursday, 07 May 2026

 **Time:** 14:00 – 16:00 CAT

 **Format:** Virtual Event

### What to expect

- Platform walk-through
- Insights from regional experts and partners
- Opportunities for collaboration and community engagement
